Objectives

Passionate and dedicated B.E Computer Science (Artificial Intelligence & Machine Learning) Engineering Student deeply enthusiastic about UI/UX Design and proficient in Figma. Eager to leverage my skills in creating intuitive and visually appealing user interface while collaborating with a team of professionals during an internship. Committed to delivering innovative design solutions and expanding my knowledge in UI/UX principles and in web development.

Education

Qualifications	Institution	Percentage	Year of passing
B. E CSE(AIML)	Saranathan College of Engineering	95. 5%	2022-2026
HSCV	K.A.P Viswanathan Hr. Sec. School	90.6%	2021
SSLC	K.A.P Viswanathan Hr. Sec. School	92.4%	2019

Achievements:
1. Got second prize in the technical extempore conducted by ISRO, Sriharikota.
2. Achieved first rank in college during the first year with a remarkable GPA of 9.65 out of 10.

Mini Projects:

1. Weather prediction (HTML & CSS)
2. Banking System (JAVA)
3. World Map Applications (HTML & CSS)

Projects:

1. **BIBLIO Book App (Ongoing)**
   Role: UI/UX Designer
   Description: Developing a front-end book selling applications focusing on intuitive user interface and seamless user experience design.
2. **Portable Light Project Design (Completed)**
   Role: product Designer
   Description: Provided visual design formatting for a light project.
3. **WELVET a cake App (Completed)**
   Role: UI/UX Designer
   Description: Designed an user-centric cake ordering application, emphasizing the UI/UX Design.
4. **BRAILLE BUDDY an App for blind people (Ongoing)**
   Role: Data Analyst, Ui/UX Designer
   Description: Gathering and preprocessing data for training the model and analyzing the effectiveness of the model. Ensuring the app is intuitive and user-friendly for blind user.

Internship:

Company Name: Cognifyz Technologies

Role: UI/UX Design Intern

Duration: April 21-04-2024 to April 29-04-2004

Description: Completed a one-week unpaid internship at Cognifyz Technology, focusing on UI/UX design using Figma, developed a handful of mini projects, contributing to the design process and gaining practical experience in creating intuitive and visually appealing user interface.

Personal Details:

Full Name: Dharshini. R

Date of Birth: 31-08-2004

Nationality: Indian

Religion: Hindu

College Name: Saranthan College of Engineering

Program: B. E CSE (Artificial Intelligence & Machine Learning)

Year: 2nd year

Technical Skills:

Programming Languages
1. Python (mini project: Calculator)
2. Java (mini project: Banking System)
3. C (mini project: Library Management System)

Web Technologies:
1. HTML
2. CSS
3. Javafx

Software tools:
1. Figma

Version Control:
1. GitHub

Other Skills:

1. Tutoring
2. Monitoring and leadership
3. Creativity
4. Communication skills
5. Teamwork and collaboration

6. *Time management*
